MOVE TO HIGHER  
GROUND

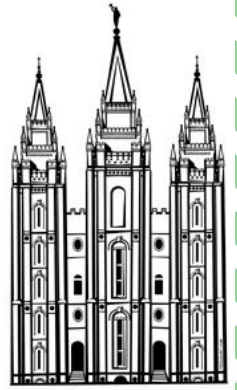

Waves of sin...threaten all of us. They come with great power and speed and will destroy us if we are not watchful...We must flee to high ground or cling fast to...the gospel of Jesus Christ.

START

We rejoice in all the Savior has done for us. He has made it possible for each of us to gain our salvation and exaltation. But we must run as fast as we can to the **HIGH GROUND** He has provided for **SAFETY & PEACE.**

### Prepare the Game

1. Print pages on card stock. Tape the game board pages together.
2. Cut along the dotted lines by the temple to make a flap to lift open.
3. Cut out the family circle playing piece on this page.
4. Glue this page behind the right side of the game board so the image of Jesus is revealed when the flap is lifted.
5. Cut out the game cards.

## INSTRUCTIONS

**Objective:** take turns choosing cards and moving up to reach higher ground as a family.

**Game Play:**

1. Shuffle cards and place in a stack face down. Place family game piece on start circle.
2. Starting with the youngest, take turns choosing a card from the top of the stack. Read the card and answer the question. Some have a scripture reference that helps answer the question. After answering the question and/or reading the scripture, move up one space/level.
3. The "Wave" cards tell you to move down one space. Read the card then move down.
4. When the family reaches the temple, lift the flap. Congratulations! You worked together as a family to reach higher ground.
