Sturges, <i>Illustrated History of McDonald County, Missouri, From the Earliest Settlement to the Present Time</i> , (Pineville, Missouri : Sturges, 1897), 167.	Civil War: "the inhabitants of the county up to that time were principally from the southern states and a majority considered that their interests were with the southern people. At the same time there was a strong Union element among them who resisted secession until the war was begun, when they cast their fortunes with the Confederacy. There was still another element, largely in the minority in this county, that remained loyal to the last.
