When your daughter and her husband, Mrs. and Mr. Carpenter, of Ardmore, called upon us on July 10th I told her that your pension would become effective April 1, 1930, whereas it should be April 1, 1929.</p> <p>I do not very often make a mistake like that, and now will you please write her and tell her that I did make that mistake? I know she will enjoy hearing that you are to have the pension from the beginning of the quarter in which you made application. I read the filing date wrong that day; thought it said 1930, and instead it was 1929.</p>	1929 Pension at digitalprairie	<p>Isabell D. Royston, widow of Robert C. Royston, application no. Mrs. Armstrong called us and said that you have left the Home and asked about the outside pension. You have already received your \$15.00 check for the Home pension mailed from this office April 2nd, since you spent part of April in the Home, the time you were there and the \$15.00 would be deducted from your usual \$81.00 outside pension. We are inclosing a claim blank for you to sign and have two witnesses sign and return to this office. Please sign and return it as soon as possible. Please send us the exact date that you left the Home so that we can determine how much of the balance of your outside pension you are entitled to receive.
